

Dear Customer,

Please follow the next steps to **activate your user profile in Credit Europe Net internet application.**

 **Attention, you will need:**

- *internet connection either on the mobile phone or on the desktop, for accessing from the browser the internet banking service Credit Europe Net.*
- *access to the e-mail address declared in relation to the bank.*
- *access to SMS messages received on the phone number declared in relationship with the bank.*
- *access to the CEB-mTOKEN application installed on your mobile phone.*

Step 1 (in the browser)

- **Download the CEB-mTOKEN application** to your mobile phone scanning one of the below QR codes with your mobile phone camera.

Descarcă aplicația CEB m-Token

UTILIZEAZĂ UNUL DINTRE ACESTE LINKURI SAU SCANEAZĂ CODUL QR PENTRU DESCĂRCAREA APLICAȚIEI MOBILE

Available on the App Store

GET IT ON Google play

CODURILE DE ACTIVARE VOR FI TRIMISE LA DATELE DE MAI JOS

ADRESĂ E-MAIL:

TELEFON MOBIL:

Step 2 (in the CEB-mTOKEN mobile application)

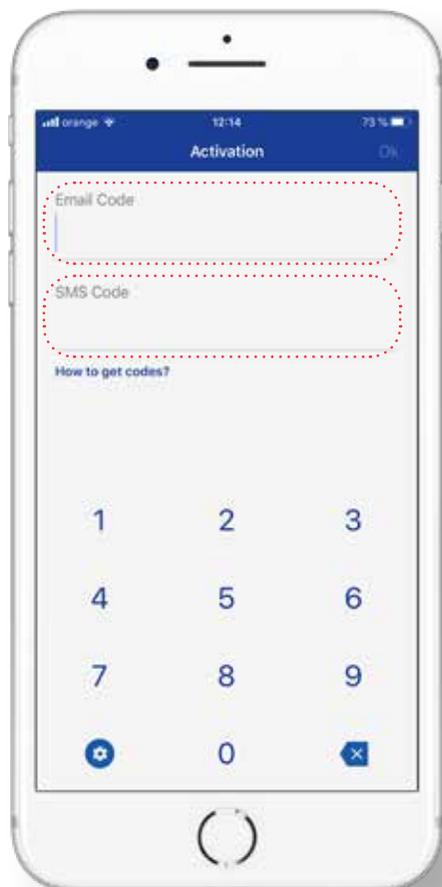

- **Install the CEB-mTOKEN mobile application for free.**
The bank will send you **two authentication codes**: via **e - mail** and by **SMS** (to the e - mail address and number of telephone number declared in relation to the bank).

Step 3 (in the CEB-mTOKEN mobile application)

- To activate the token, you must enter **the codes** received by **e-mail** and **SMS** to the address and telephone number declared by you in relation to the bank (**the ones mentioned in Step 2**).

Step 4 (in the browser)

- After validating the codes in the CEBmTOKEN mobile application, you must set in browser the **user password in the Credit Europe Net application**. Attention, password must contain only six numeric characters.

Reset password

PASSWORD

The password should contain at least eight characters, big and small letters, digits and special characters (0-9, !@#%&*(~|=~\`{}|:~<>?,./).

NEW PASSWORD

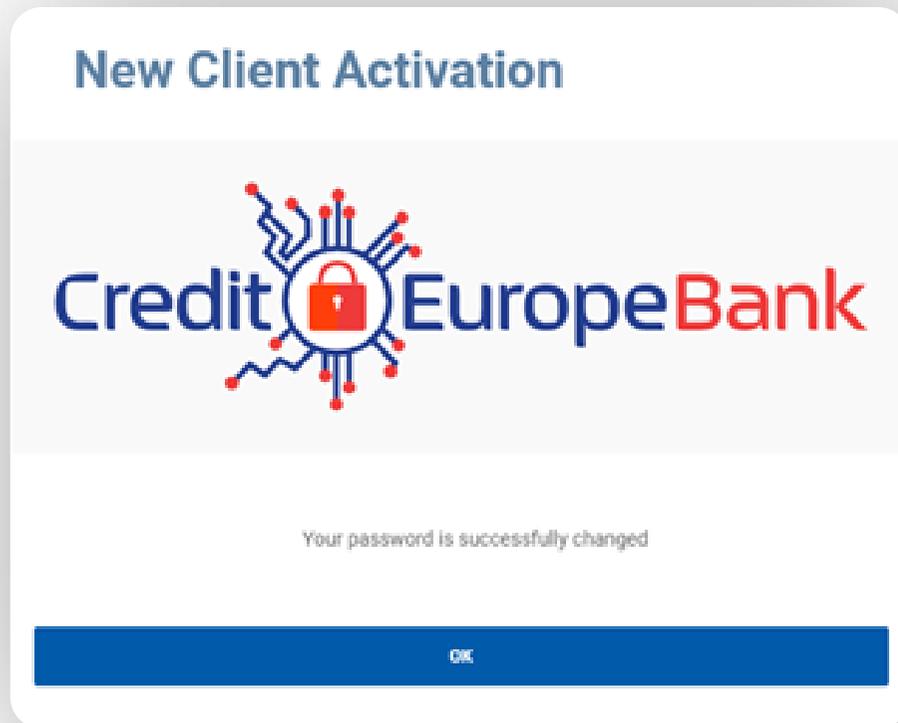

RETYPE NEW PASSWORD

CONTINUE

Step 5 (in the browser)

- After setting the password you will receive the activation confirmation of your customer profile.

**If you reached this point
in the process, your token
has been successfully reset.**

CONGRATULATIONS!
